- When shipping, please include any accessories that may be contributing to the issue. Our technicians will perform a full inspection to ensure the issue is resolved. Our average turnaround time is 3-5 business days. There are some repairs that may experience longer turnaround times.
- There may be occasions in which equipment is not salvageable. If this occurs, a representative will contact the sender as soon as possible.
- If software needs to be loaded, please contact [technicalsupport@InvAccuracy.com](mailto:technicalsupport@InvAccuracy.com) and provide the necessary applications and instructions.
